OFFICE OF ACCESSIBILITY SERVICES

McDowell Technical Community College is committed to compliance with the Americans with Disabilities Act (1990), Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Amendments Act (2008). FERPA (Family Educational Rights and Privacy Act) is a federal statute that precludes McDowell Technical Community College from providing student record information to anyone but the student without the student's written authorization.

Federal Law prohibits Accessibility Services from making pre-admission inquiries about disabilities. Accessibility Services have been designated on campus to assist students with disabilities.
